

Commemorative Group Purchase Program

from DPMS FIREARMS

The employees of DPMS Firearms, LLC wish to thank all of the members of the United States Armed Forces for their sacrifice and commitment to America's safety and welfare. Out of respect for this sacrifice, DPMS has created a Special Group Purchase Offer on a DPMS rifle in order to commemorate your service, the RFA2-AP4A 5.56 NATO carbine, with special discounted pricing as a means of showing our appreciation. This commemorative rifle is only available to members of the United States Armed Forces and only available by purchasing Factory-Direct.

Each rifle for your group will be engraved with the same logo or insignia of your

choice (provided it is compatible with our engraver) at no cost and shipping will be free.

GUIDELINES:

1. **One Point of Contact will be established by the group for the transaction.**

This POC is responsible for placing the order complete at the time the offer closes. Funds will be transferred to DPMS at the time the order is placed. All questions will be sent to the POC and forwarded to DPMS for response. **Do Not Contact DPMS directly.** By directing questions through the POC, each individual participating shall be verified as a member of the group. This prevents outsiders from attempting to take advantage of the program.

2. **DPMS offers (1) one Commemorative Model with your Engraved Artwork, the RFA2-AP4A (5.56 M4).**

Prices will be discussed with the POC (MN residents are subject to MN Sales tax). **You are not restricted to purchasing one firearm only.**

3. **There are no provisions for upgrades on rifles.**

We are unable to provide group purchase pricing and then build each rifle differently. The additional time and manpower required to manufacture, monitor, and separate individual custom rifle orders is costly. However, the pricing for this Special Edition AP4A is significantly discounted from retail and represents our absolute lowest price as our way of saying thanks to each Soldier, Marine, Airmen, and Sailor wishing to purchase one of our rifles. And, we will engrave it and ship it free!

4. **Rifles will be engraved with one version of your line art at no cost.**

We apologize; DPMS cannot offer multiple choices for engraving.

5. **DPMS will ship 100% of the rifles to a (1) one Federal Firearms License holder in the continental United States to complete the individual transfers.**

It is the responsibility of the POC to determine the FFL and make arrangements for transfer. If you live outside the region or state of the FFL, it will be your responsibility to make arrangements for additional shipping to the FFL of your choice and you will be responsible for the additional shipping costs and any transfer fees applied by the Federal Firearms License holder.

6. **Credit/Debit Cards are the only acceptable method of payment and will be processed upon receipt of the order.**

Your account will be debited immediately as authorized by your signature under the Terms and Conditions listed on the order form which represents a binding contract.

7. **DPMS will include a commemorative T-Shirt with each rifle order.**

The T-shirt will have your group's line art on the back and the DPMS logo on the left front crest, and will match the undershirt of the branch the servicemen serve under. Additional T-shirts will be available for order on the order form and will cost \$10 a piece.

Thank You Very Much for Your Service, it is Greatly Appreciated By All at DPMS Firearms, LLC!
